FINANCE AND TRADE. FINANCIAL AFFAIBS, like a soldier's @2 30; fire brick, \$3@5 per 100. Brick drill, are always in movement, but the per 1000, \$8@10. movement just now is as uniform and unchanged as "left wneel" and "mark time." Our banks have plenty of money at 10 per cent. per annum for borrowers, but applicants, though now appearing from the general classes of business, both wholesale and retail, are not numerous, nor do they require amounts of any importance. The gold squeezing process is evidently in operation in New York, and the difficulties in foreign exchange and home currency that commerce is exposed to, is quietly borne by men who are furthering our prosperity though inflicted by persons who add nothing to the nation's wealth, while they make their living mostly out of the national embarrassments. To bring about certain results in the prices of particular stocks, gold is held out of the market—ten millions was so held last week, and the bulls and bears make new, 11½c; clarified yellow, new, 9½@10½c; open kettle, new, 7@9c; choice white, new, 11½@11½c. Molasses and syrups, money by the difficulties and obstructions their proceedings throw in the way of commerce. Brokers here paid 1144@

Rice, 7½@8‡c. Coffee—Ric, per pound, 1141 for gold; one bank got a lot of \$3000

Captain Lennox, at five p.m. Marine Gossip. There is a slimness in steamboat business now that is perfectly horrible to contemplate—little freight moving, very little travel, plenty of steamboats wanting business, and plenty of water verywhere-ily-time is not a circumtance to the present starvation outlook. Keep a stiff upper-lip, fellow-naviga-tors; there are better times ahead...... Some of our cotemporaries stubbornly adhere to the opinion (or make out so) that there is no danger of an overflow, when every day Big Muddy is encroaching upon the lowlands more and more. They say there is no danger unless there comes a sudden melting of the snow in the mountains, etc. That's just what's the matter-there is a very strong probabillity of such an event, and the safety 85@85c; choice yellow, 87c. Bran deli and lower, at \$10.1 25. Hay to good supply and dull; prime, \$24; choice, \$24; choice, \$25; Pork in good demand and stronger, at present rise running out before this present rise running out before the melting of the snow sets in. We remelting of the snow sets in. We renew our advice to lowland farmers to be prepared for the worst. By reference to our dispatches on the first page it will be seen that the overflow is doing its work below here, and we fear the worst is not yet come.....The present high stage of waters makes rouble with the steamers in delivering

at way-landings.....The Daddy of Floods now rages within four feet of the highest water-mark ...... The Commonwealth and H. C. Yarger are due here to day for New Orleans.....The Nashville undertook to upset the railway bridge at Iohnsonville a few days ago, which resulted in the necessity of a few dollars worth of repairs to her hurricane roof. .....Eight thousand dollars is about the iil made for repairs to the John B. Maude ..... The water is crawling over the bank opposite this point, and if the rise continues will soon be forty miles wide, more or less, here...... Those dis-posed to question the possibil-

ity of a flood caused by the melting of "snow in the mountains" will find something to interest them in the fact that on yesterday the thermometer was uoted at St. Paul, 32; St. Louis, 50; Pittsburg, 46; Louisville, 57; Leaven-worth, 51; LaCrosse, 42; Keokuk, 40; Fort Sully, 38; Cincinnati, 53; when here we had to endure 61 "in the shade." nifding, Main street, Memphis, Tenn., on Nearly all of the above locations are pretty fair indexes of the weather on the upper tributaries that usually contribute the June rises, and have a greater influ-

the following: "We are glad to ansounce the raising of the Vicksburg. She was affoat yesterday morning, and will be here this day, with her freight. She will be taken out on the ways, and be ready for business on her next regular day. The weather prophets were nonplussed yesterday; about half-past four o'clock in the afternoon three

distinct rainbows were visible in the heavens. One with the bow to the northeast and two to the southwest, and the new moon visible between them. 'Old Probs' could give no theory respecting them, but the weatherwise say it means rain. Such a thing was never known before in the heavens, and we are satisfied that something will happen to-morrow; what it is we leave to the gatherers of items to say, but look out for the local news to-morrow, and if nothing takes place then we will give it up.".....The Nashville Union and American has the following flood stock, rising from 46; to 47; North-western came next, advancing from 44; \*Below bench mark, H. M. LUDWIG, Sergeant. ing, and the railroad is now entirely clear. At Johnsonville the water was rising yesterday at the rate of half an clear and pleasant. River still falling;

Evansville, March -12.—Weather alternately clear and cloudy, with wind from the south. Mercury 42 and 55°. was the Port Royal. The consequence was that the blow from the ax split the boat in twain, and since then no steamer .. Captain Postal telegraphed R. P. Gienn, from Helena last night, that the Quickstep will arrive early this morning and leave as usual at five o'clock in the afternoon promptly, unless it snows

9000 bushels of corn, were sunk yesterday, at Caseyville, by the heavy wind.
Insured for \$2000 in the Citizens', of
Evansville; \$4000 in the Globe, of Chicago, and \$1500 in the Enterprise, of Cincinnati. Property of James Simpson.

THE creditors of the estate of Louisa Fisher, deceased, late of Memphis, are hereby notified to come in and prove their accounts and demands against said estate, within the prescribed time, or they will be debarred.

Jetasa J. T. BLAISE, Administrator.

13 the deed of trust excended to us as Ernstees on the 10th May, 1857, by the city of Memphis, by A. II Douglas, Mayor, and which is registered in the keyster's office of Shelby county. Tennessee, in book 25, page 46, et seq., and which conveys to us the property hereinafter described in trust to secure the payment of \$80,000 of the bonds of the Memphis and Little Rock Railroad Company, and upon request of certain of the holders of said bonds, we will.

Will Leave New Orleans on the 1st day.

On the 3d day of May, 1875,

occeed to expose the said property to saic, on e premises, for cash:

said property is described in said deed as the Navy Yard property, being the same act or parcel of ground designated on the ap of the city of Memphis and its environs, adds by Todd & Crider, as the United States and Depot, and which, as appears from it map, ladf the real estate which lies west Chickness street, between the north line Auction street and the north line of Market wet.

of Chickasaw street, between the north line of Auction street and the north line of Market street.

Set and the said deed of trust requiring us "to lay off said grounds into suitable lots," and being satisfied that the present subdivision of said real estate, as given below, is a suitable laying off of said lines for the purposes of this sale, we do adopt the same, and will sell the said real estate according to said subdivision, putting up one lot at a time for sale, unless at the time of sale we have reason to believe that a more advantageous sale will be effected by selling one lot with the privilege to the buyer of taking certain additional lots at the same price, to be announced at the time of sale, the sundivision being as follows:

Lots No. 2. 5. 4. 5. 6. 7. 8. 9. 19. 11. 12, 13, 14, 15, 18, 17, 14, 19, 29, 21, 22, 13, 13, 25, 28, 27, 28, 20 and 39, which said lots are situate between Chickasaw and Promenade streets; and lots No. 35, 36, 35, 38, 39, 40, 41, 42, 43, 45, 46, 47, 48, 49, 40, 51, 52, 33, 54, 56 and 59, which lie immediately west of Promenade street. Also, 57, which lies immediately west of and adjoining Promenade street. Also, lots 57, and west of Promenade street. Also, lots 58, 69, 61, 62, 63, 63, 65, 66 and 67.

Also lots 58, 69, 61, 62, 63, 63, 65, 68 and 67.

Also which lots aforesaid are described by the above ment oned numbers upon the map of the city of Memphis, complied by M. 7. Williamsson, in the year lots, and on that part of the map which is noted as "Navy Yard," Upon some of these lots are valuable improvements, which will be soid with the lots. There will be sold at the same time and place, the balance of the Navy Yard Grounds, which has not been laid off into lots, or subdivisions, and being the remainder of the said ground lying between aforesaid lots 61, 62, 64, 65, 66 and 67, and the Mississippi river on the west, bounded on the north by the extension of the north line of Auction street, and 62, 64, 65, 66 and 67, and the Mssessippi river on the west, bounded on the north by the extension of the north line of Auction street, and on the south by the extension of the north line of Market street—we being of opinion that this area is a suitable size in which the grounds should be laid off for a sale.

The sale will be made at public auction, to the highest bidder, for cash, and by the express provisions of the deed all right and equity of redemption is walved, and we the trustees will execute to the purchasers, under the express provisions of the deed, "on behalf of, and in the name of, The Mayor and Aldermen of the City of Memphis, deeds in feasimple absolute, with coverants of warranty," by the said city. by the said city.

We are satisfied the title is perfect, but we

convey only as trustees.

JAMES ELDER,

AM. TATE,

McRae, Smith, Scott & Collier, for trustees
and bondholders.

# DR. CURTIS'

Last Professional Season in New Orleans. DR. E. DE P. CURTIS, M. D., F. R. C. S.,

# Will Leave New Orleans on the 1st day of May Next,

Nervous and Physical Beblisty,
Exhausted Vitality, Premuture Decline,
Abuse of the System, and such general finetional derangement as springs from the above
causer, or are incident to his enervated and
depended condition of the organs.

DR. CURTIS addresses himself to those
who have already yielded to the suggestions,
and besought the care of ignorant silvertising
charlatans, from whom they have received
on benefit, and who, in fact, have done them
more material harm than practical good. It
is conceded that Meolcine, like all other sciences, is progressive, and every year but records some new development or marked advance. By a felicitous combination of remedies of acknowledged curative powers, DR.
CURTIS has so arranged and shapted his
treatment as to afford not only immediate relief, but radical and permanent cure.

The Medical Times says: Dr. Curtis' system of treatment, the result of twenty years
successful practice, differs from all others in
general use and commends tiself to the afflicted as the only true source of relief. Many
cases pronounced incurable have yielded successfully to his remedies."

Dr. Curtis would again impress upon the
minds of all who contemplate consulting him
the duty of Calling Without Beiny.
